Primary Care Program

Purpose

The purpose of the Primary Care Program is to increase access to community-based primary (health) care services statewide to low-income residents of Arizona with no health insurance.

Eligibility Criteria

- Have no insurance
- Have a family income at or below 200% of the federal poverty guidelines
- Are not eligible for AHCCCS, KidsCare or Medicare
- Are residents of Arizona

What You Need to Bring

- Proof of Arizona residency
- Proof of income

Please contact the clinic directly for detailed instructions.

Fees

Sliding fee scale or discounted fee for services are available for persons with income level that qualify based on the **2008 federal poverty guidelines**. This guide is updated every year.

Family Size	Income Less Than:
1	\$20,800
2	\$28,000
3	\$35,200
4	\$42,400
5	\$49,600
6	\$56,800
7	\$64,000
8	\$71,200
More than 8	Add \$7,200 per additional member
